

Are you going for Wealth or going Broke?

Hi there,

My name is Trust Orlu-Orlu, I am a Budget Coach to women on the path to creating long term wealth.

I take women from Budget Novice to Budget Wiz in 12 weeks.

I have prepared this questionnaire to help you assess your current financial trajectory so you can either change course if needed or dig in deeper if you are killing it.

Be honest in your answers, you are the only one seeing your results! The more honest you are, the better the outcome and changes for your long term financial health.
